Dog Restriction

The American public has become increasingly "suit" conscious and the number of dog bites have been increasing at a tremendous rate. The majority of the dogs owned by your customers do not present any underwriting problems to the Company. However, there are certain breeds that are responsible for a disproportionate share of claims. We do not accept the following breeds of dog:

Wolf dog	Husky, all varieties including Samoyed
Staffordshire bull terrier	Chow
Pit bull terrier	Spitz
Kerry blue terrier	Giant schnauzer
Rottweiler	Boxer
Doberman pinscher	Airdale
Bull mastiff or mastiff	Great Dane
German shepherd	Chesapeake Bay retriever
Alsantian shepherd	Akita
	Dalmatian

or any mixture of the above
